Unconditional Loves of the Month

Hi everyone, I'm JR! I'm a happy guy who was saved from a high kill shelter just in the nick of time. Boy, it was really close! I'm a super social guy, I love humans and I loooooove other dogs. I also enjoy hiking, walking, and going to the beach. If you're looking for an active best friend, I'm your guy!

JR

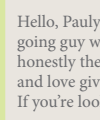

Hi friends, I'm Felicity Kelly. I was rescued from a hoarding situation in the Mojave Desert and grateful for a second chance at life. I enjoy walks, play time during the day, and snuggle time at night. I'm pretty easy to please, and I'm told I'm easy on the eyes!

Felicity Kelly

Hi!!!, I'm Hailey! I have a confession; I'm perfect. Yep, it's true! My human friends tell me I'm one of a kind! I love other dogs and my people are seriously my favorite. I like to take walks and go hiking...and I'm a professional cuddler with great manners... what more could you want?!

Hailey

Hello, Pauly here. Hmm, you want to know about me? I'm an easy going guy who was saved off the streets of South LA and I'm honestly the best dog ever. I'm calm, cool and collected, and love giving or sneaking kisses. I'm a love bug! If you're lookin' for love, tell 'em Pauly sent you!
